EDUCATION

Dual Degree CPI: 9.62

Master of Animation Design (M.Des) | 2022-2023

Bachelor of Design (B.Des) | 2018-2022

IDC School of Design, IIT Bombay

International Semester Exchange 16/20

Cinema d'Animation | Spring 2023

Ecole Nationale Supérieure des Arts Décoratifs, Paris

WORK EXPERIENCE

Samsung Research Institute, Bangalore | Senior Designer 2023, Ongoing

Employed as a Designer within the Experience Planning Group of Samsung R&D India, focused on improving basic experiences within Samsung mobile phones and conducting innovation activities for aesthetic digital experiences.

Penguin Books, India | Children's Literature Illustration

Upon commission by Penguin Random House, illustrated full-color children's books:

'Animals in the House', an anthology of short stories by Ruskin Bond.

2023

'Baloo's Big Win', a biography of India's first dalit cricketer by Mamta Nainy.

2024

Shortlist: Neev Book Award 2025

'Agassi and the Great Cycle Race', a comedic adventure by A. Khyrunissa.

2025

'Animals on the Train', a story adaptation for children by Ruskin Bond.

2025 (Upcoming)

Pratham Books, Singapore Book Council | Children's Literature Illustration

2022

Illustrated a 24 page children's book titled 'Come Back Soon, Mira' by Chatura Rao.

Participated in a 'picture book hackathon' organized by publisher Pratham Books and the Singapore Book Council, to create a wordless children's picture book titled 'A Bunch of Flowers' with Filipino author Liwliwa Malabed.

IDC School of Design | Teaching Assistantship

2022

Worked under Prof. Shilpa Ranade to aid her ongoing research surrounding children's literature and illustration in India.

Paperboat Animation Studios | Internship

2021

During an internship, created a pitch deck for season 1 of an animated OTT streaming show for children aged 8-12, based on the periodic table of elements. Responsibilities included story development, designing characters, illustrating for the pitch deck, and collaboratively writing the pitch material.

CovidWire | Freelance Illustrator

2020

Created social media graphics, PR illustrations and editorial illustrations for the fact-checking news source [Covidwire.in](https://covidwire.in), active during the first two waves of the Covid-19 pandemic worldwide.

PROJECTS

The Art of The Left Hand of Darkness | Concept Art

Studied the 1969 sc-fi novel 'The Left Hand of Darkness' by Ursula K. Le Guin and created a body of development work for a hypothetical, feature-length animated adaptation of the same. Character designs, key beat illustrations, location and environment guides, and other development work have been compiled into an artbook.

2022
Bachelor's Thesis Project

Une Recette Pour Bonheur | Interactive Animated Experience

Created and prototyped in Figma an interactive short film about an elder sister's plan to cheer her cranky younger sibling up. The project features 9 hand-drawn animated loops, which combine to form a 'film' meant to be savoured at one's own pace.

2023

Half Fry | Animated Short Film

A short hand-drawn 2D animated film about a young woman who, upon failing to take proper care of herself, becomes subject to an unexpected intervention. Recognitions include:
Winner, ASIFA Awards of Excellence 2024: 2D Animation, Student Category
Winner, Goa Short Film Festival: Best Director, Student Category
Official Selection, Stockholm City Film Festival
Official Selection, West Bengal Short Film Festival

2022

Big Bang Bazaar | TV Pitch Development

Worked in a team of seven as head of character design and style direction in a mock-studio scenario, to create a marketable TV show IP within two weeks. Deliverables included a mini style-bible (with locations, characters, props, and sample stills), a pitch bible with 8 episode loglines, and a budget proposal.

2022

Gadar | Concept and Production Art

Visual development art, character designs, and background painting for the animated sections of a partially animated historical documentary, about racial trials faced by the Sikh lumber-working community in the USA during the early 1900s.

2021

Jaggu and the Don | Graphic Novel

An original 24-page graphic novel about a young fisherman, Jaggu, and his run-in with a local mafia that hopes to seize his prime waterside plot of land.

2020

ACHIEVEMENTS

All-India Rank 1, UCEED 2018

Undergraduate Common Entrance Exam for Design. Rank 1 out of 11,600+ applicants.

Department Rank 1, IDC School of Design

Calculated from CPI, rank 1 out of 80+ final year M.Des and Dual Degree students.
